

Workshop on Innovations, Patents and Licensing (JULY 13-15, 2014)

Organizers : Rabah Amir (University of Iowa), Debapriya Sen (Ryerson University), Yair Tauman (Stony Brook University and IDC Herzliya).

The Stony Brook Center for Game Theory will host a Workshop on Innovations, Patents and Licensing as part of the 2014 Stony Brook Game Theory Festival. The workshop will cover topics like: R&D competition, innovations, incentives for innovations, patent licensing and market structure, diffusion of innovations and other related topics.

For further information, please contact one of the conference organizers: Rabah Amir (University of Iowa; rabah-amir@uiowa.edu), Debapriya Sen (Ryerson University; dsen@economics.ryerson.ca), or Yair Tauman (Stony Brook University and IDC Herzliya; amty21@gmail.com). You are invited to submit a complete paper or extended abstract by Friday, May 2, 2014. Submissions should be sent by e-mail as a PDF file to the organizers (organizers@gtcenter.org)
